Her Voice Resides

Bullet for My Valentine

Our time has ended I feel it's only just begun And Im frustrated

I cant believe you're not the oneMy ears are bleeding

Her voice resides inside my head

And now I'm choking

Release this noose around my neckWill I just fall to pieces

Or am I alright?

To iron out my creases

You must lacerate me till theyre goneThese are my final words to you

I know you're listening, can you hear me?

The time has come to say 'Goodbye'

These are my final words to youThe clock is ticking

My heart is bursting through my chest

And now Im crying

These tears are falling off my faceThe chair is creaking

Her voice resides inside my head

And now it's over

You put this noose around my neckWill I just fall to pieces

Or am I alright?

To iron out my creases

You must lacerate me till theyre goneThese are my final words to you

I know you're listening, can you hear me?

The time has come to say 'Goodbye'

These are my final words to youHeaven, where is my angel?

I need her now, holding me

Heaven, where is my angel?

I need her now, holding me tonightWill I just fall to pieces

Or am I alright?

To iron out my creases

You must lacerate me till theyre gone These are my final words to you

I know you're listening, can you hear me?

The time has come to say 'Goodbye'

These are my final words to you
