

# On the Way

## Don Rendell & Joe Palin Trio

On the way to your house  
I feel new, I feel color, Im with you  
On the way to your room  
Im alive, Im a flutter, Im a bloom  
And time, it stands still  
And we wait until  
The light  
Flickers and fades  
On the way to your heart  
I feel blue, I feel a stutter without you  
Does this light have a chance?  
On the way to your house  
I feel new, I feel color, Im with you
