Homesick

Kristy Lee Cook

I got money in my pocket,
I got a map in my front seat,
Got a sweet kiss from my Mama,
Her lipstick's still on my cheek.Got a good luck from my daddy,
and my sister's favorite dress,
Oh I miss them all already,
and it ain't even been ten miles yet,Chorus:
I know this ain't goodbye forever,
I know, I can come back anytime I want to,
my dreams are calling,
I know it's now or never,
All I gotta do is remember where my heart is,
when I get, Homesick, homesick...I've got a one bedroom apartment,
a view of sixteenth avenue,
got my grandpa's old guitar,
and in my head a picture of you, yeah...Chorus:
I know this ain't goodbye forever,
I know, I can come back anytime I want to,
my dreams are calling,
I know it's now or never,
All I gotta do is remember where my heart is,
when I get, Homesick, yeah, yeah, yeah,Bridge:
If these dreams work out like I plan,
they're gonna take me far,
but no matter how far...Chorus:
I know this ain't goodbye forever,
I know, I can come back anytime I want to,
my dreams are calling,
I know it's now or never,
All I gotta do is remember where my heart is,
when I get, Homesick, homesick, homesick, homesick...
