

I've Tried

Tailor

Iâ€™ve tried to hide Iâ€™ve tried not to fight it but I think I
I cannot do this anymore
Iâ€™ve tried to love you Iâ€™ve tried to forgive you
but I think I cannot do this anymore
The things is I never let things go
I hide it where no one knows in the 80â€™s
she dreamt of many things hoping love will bring her dreams
in the 80â€™s oh in the 80â€™s

My heart was yours once I couldnâ€™t let you go
Thought you were the only one that didnâ€™t love us so
Now is it wrong for you or is it wrong for me to have loved us so
Now is it wrong for you or is it wrong for me to love us so
I guess you didnâ€™t love me so

Iâ€™ve tried to hold onto
this love that I never knew
But I think I cannot do this anymore
I try to convince my heart
that loving you was never smart
but I think I , I can not do this anymore

Forgiveness is letting go of the thought
That things couldâ€™ve been different in the 80â€™s
She dreamt of many things hoping love will bring her dreams in the 80â€™s
Oh in the 80â€™s
