

God Give Me Strength

[Elvis Costello](#)

Now I have nothing, so God give me strength
'Cause I'm weak in herhiswake
And if I'm strong I might still break
And I don't have anything to share
That I won't throw away into the airThat song is sung out
This bell is rung out
HeShe was the light that I'd bless
HeShe took my last chance at happiness
So God give me strength, God give me strengthI can't hold ontohimher, God give me strength
When the phone doesn't ring
And I'm lost in imagining
Everything that kind of love is worth
As I tumble back down to the earthThat song is sung out
This bell is rung out
HeShe was the light that I'd bless
HeShe took my last chance at happiness
So God give me strength, God give me strengthGod ifhe'dshe'd grant mehisher indulgence and decline
I might as well wipehimher from my memory
Fracture the spell asheshe becomes my enemy
Maybe I was washed out like a lip-print on his shirt
See, I'm only human, I want him to hurt
I want him
I want him to hurtSince I lost the power to pretend
That there could ever be a happy endingThat song is sung out
This bell is rung out
HeShe was the light that I'd bless
HeShe took my last chance at happiness
So God give me strength, God give me strength
