Blue Monday

Gregorian

How does it feel
To treat me like you do
When you've laid your hands upon me
And told me who you are

I thought I was mistaken
I thought I heard your words
Tell me how do I feel
Tell me now how do I feel

Those who came before me
Lived through their vocations
From the past until completion
They will turn away no more

And I still find it so hard to
To say what I need to say
But, I'm quite sure that you'll tell me
Just how I should feel today

I see a ship in the harbor
I can and shall obey
But if it wasn't for your misfortune
I'd be a heavenly person today

And I thought I was mistaken
And I thought I heard you speak
Tell me how do I feel
Tell me now how should I feel

Now I stand here waiting
I thought I told you to leavemeetme
While I walked down to the beach
Tell me how does it feel

When your heart grows cold
Grows cold, grows cold, grows cold
