# Good Lovin'

## Patti Labelle

I sure don't mind givin' you good lovin' baby
You know I don't mind givin' you good lovin' baby
You love me unlike any love I've ever known
I really do appreciate it, baby
The way you call my name sweet baby
Every little touch, every little kiss
I never felt as good as this
So anytime you call me, baby
I'll be there to give you what you need
I sure don't mind givin' you good lovin', baby
Anytime you want me, baby
I'll be there to give you what you need
You know I don't mind givin' you good lovin' baby
Anytime you need me sugar, satisfaction guaranteed
I'm feelin' you and I really wanna let you know
You can have what you want anytime you want me
No matter what it is anything just ask me
Every time we touch, every time we kiss
Wanna give you more of this
So just call me baby
I'll be there to give you what you need boy
I sure don't mind givin' you good lovin' baby
Anytime you want me baby
I'll be there to give you what you need
You know I don't mind givin' you good lovin' baby
Anytime you need me sugar, satisfaction guaranteed
Night or day
I won't hesitate, no
You can count on me
Know that I'm here for you baby
'Cause the love you give to me
Makes it so easy to return
That's why I don't mind
I sure don't mind givin' you good lovin' every day
I sure don't mind givin' you good lovin', baby
Satisfaction guaranteed, baby
I sure don't mind givin' you good lovin', baby
(You can have what you want, any time you want me)
(No matter what it is, anything just ask me)

You know I don't mind givin' you good lovin' baby
(You can have what you want, any time you want me)
(No matter what it is, anything you ask me)
I sure don't mind givin' you good lovin', baby
(You can have what you want, any time you want me)
(No matter what it is, anything just ask me)
You know I don't mind givin' you good lovin' baby
(You can have what you want, any time you want me)
(No matter what it is, anything you ask me)
Anytime, just ask me
