The Ground Beneath Her Feet

U2

All my life, I worshiped her
Her golden voice, her beauty's beat
How she made us feel, how she made me real
And the ground beneath her feet
And the ground beneath her feetAnd now I can't be sure of anything
Black is white, and cold is heat
For what I worshiped, stole my love away
It was the ground beneath her feet
It was the ground beneath her feetGo lightly down your darkened way
Go lightly underground
I'll be down there in another day
I won't rest until you're foundLet me love you, let me rescue you,
Let me bring you where two roads meet
Oh come back above, where there is only love
Only loveMy oh my, my oh my
My oh my, my oh my
My oh my, my oh my
My oh my, my oh my
My oh my, my oh myLet me love you true, let me rescue you,
Let me bring you to where two roads meetLet me love you true, let me rescue you,
Let me bring you to where two roads meetMy oh my, my oh my
My oh my, my oh my
My oh my, my oh my
