

L.A. Baby (Where Dreams Are Made Of)

Jonas Brothers

L.A., L.A. baby
(She's a) L.A., L.A. baby
(You're my) L.A., L.A. baby
(She's a) L.A., L.A. baby Driving down the highway where
The Californ-i-a breeze in my head
(Yeah yeah, yeah yeah, yeah yeah!)
Out on your vacation baby
That's my destination, see you there
(Yeah yeah, yeah yeah, yeah yeah!) Here we go,
So now let's go
You gotta, go go!
Bring it on The two of us tonight we can make it last forever
We'll need to realize, it's just you and me together
Hollywood is the time (the time) the stars are shining
For you and me tonight in this city
Where dreams are made of, where dreams are made of Did have the movie one on one
The night is ours I'm on my way
(Yeah yeah, yeah yeah, yeah yeah!)
We can do whatever, you can pick a place
And tell me what to see
(Yeah yeah, yeah yeah, yeah yeah!) Here we go, so now let's go
You gotta, go go!
Bring it on The two of us tonight we can make it last forever
We'll need to realize, it's just you and me together
Hollywood is the time (the time) the stars are shining
For you and me tonight in this city
Where dreams are made of, where dreams are made of L.A, L.A baby
(She's a) L.A., L.A. baby
(You're my) L.A., L.A. baby
(She's a) L.A., L.A. It's the two of us tonight we can make it last forever
We'll need to realize, it's just you and me together
Hollywood is the time the stars are shining
For you and me tonight in this city Where dreams are made of oh yeah
Where dreams are made of oh yeah
Where dreams are made of, come on
Where dreams are made of
