

# Brand New Thing

Andreas Johnson

Oh, yeah You better shake 'em bones  
You better get a grip  
Well, here it comes, it's all over the screen  
It's gonna penetrate you and leave you stripped Oh, yeah  
Oh, yeah You better make that move  
Get that swing  
Be on time It's a brand new thing  
A brand new thing You better get on top  
Before it hits the ground  
Take it on, inhale it's juices  
Be self assured, so it can't bring you down Oh, yeah  
It's a brand new thing  
It's a brand new thing  
It's a brand new thing You better make that move  
Get in the ring  
Throw a punch  
At the brand new thing Looks like a better day  
A new design  
I don't know what it is but it's said to be different  
So rearrange before you're left behind Oh, yeah  
It's a brand new thing  
It's a brand new thing  
It's a brand new thing I don't know what it is but I want it all  
I don't know about the answer but I got the call  
Could be a second coming of a great divine  
Don't know if it's good but I think I love the design It's a brand new thing  
It's a brand new thing  
It's a brand new thing Oh, yeah
