

Talk to Me

LeAnn Rimes

I can tell you've been crying on the inside
I can see right through your eyes, what you're to hide
You've got a real big wall covering up what you're feeling for me
Well, c'mon baby, work it on out and talk to meBaby I'm here
Ready to hear
What you're saying
I can hear your heartbeat pounding
So don't keep me waiting
C'mon baby and talk to me
C'mon baby and talk to meI can tell you've been hurt real bad before
But you're face to face with love knocking at your door
All your need is al little trust to set you free
Well, here I am, don't hold back, baby talk to meBaby I'm here
Ready to hear
What you're saying
I can hear your heartbeat pounding
So don't keep me waiting
C'mon baby and talk to me
C'mon baby and talk to meI cried a tear
As I felt the pain
That you hold inside
But this true love is strong enough to survive
C'mon and talk to meBaby I'm here
Ready to hear
What you're saying
I can hear your heartbeat pounding
So don't keep me waiting
C'mon baby and talk to me
C'mon baby and talk to me
