

# Hard Out Here for a Pimp (feat. Paula Campbell)

## Three 6 Mafia

You know it's hard out here for a pimp  
When he tryin' to get this money for the rent  
For the Cadillacs and gas money spent  
Because a whole lot of bitches talkin' shit You know it's hard out here for a pimp  
When he tryin' to get this money for the rent  
For the Cadillacs and gas money spent  
Will have a whole lot of bitches jumpin' ship In my eyes I done seen some crazy thangs in the streets  
Gotta couple girl workin' on the track just for me  
But I gotta keep my game tight like Kobe on game night  
Like takin' from a girl don't know no better, I know that ain't right Done seen people killed, done seen people  
deal  
Done seen people live in poverty with no meals  
It's messed up where I live but that's just how it is  
It might be new to you but it's been like this for years It's blood sweat and tears when it come down to a lick  
I'm tryin' to get rich 'fore I leave up out it  
I'm tryin' to have thangs but it's hard for a pimp  
So I'm prayin' and I'm hopin' to God I don't slip, yeah You know it's hard out here for a pimp  
When he tryin' to get this money for the rent  
For the Cadillacs and gas money spent  
Because a whole lot of bitches talkin' shit You know it's hard out here for a pimp  
When he tryin' to get this money for the rent  
For the Cadillacs and gas money spent  
Will have a whole lot of bitches jumpin' ship Man, it seems like I'm duckin' dodgin' bullets everyday  
Niggas hatin' on me 'cause I got, girls on the bay  
But I gotta stay paid, gotta stay above water  
Couldn't keep up with my girls, that's when things got harder North Memphis where I'm from, I'm 7th street  
bound  
Where people all the time end up lost and never found  
Man, these girls think we prove thangs, leave a big head  
They come hopin' every night, they don't end up bein' dead Wait I got a snow bunny, and a black girl too  
You pay the right price and they'll both do you  
That's the way the game goes, gotta keep it strictly pimpin'  
Gotta keep my hustle tight, makin' change off these women, yeah You know it's hard out here for a pimp  
When he tryin' to get this money for the rent  
For the Cadillacs and gas money spent  
Because a whole lot of bitches talkin' shit You know it's hard out here for a pimp  
When he tryin' to get this money for the rent  
For the Cadillacs and gas money spent  
Will have a whole lot of bitches jumpin' ship
