the opposite

s.CRY.ed

You're the opposite of me
And I'm the opposite of you
I know I'm really young
And that my life has just begun
'Cause I'm the opposite of you
And you're the opposite of me
I've done all I can do
So would you do the same for me?
I'm getting stronger all the time
It's an uphill battle but I'll be fine
You're the opposite of me
And I'm the opposite of you
(You're the opposite of me)
(And I'm the opposite of you)
You're the opposite of me
And I'm the opposite of you
There's nothing I can say
And there's nothing I can do
To change the opposite in you
Can't change the opposite in me
Life is pretty strange
And yeah, I think we can agree
I'm getting stronger all the time
It's an uphill battle but I'll be fine
You're the opposite of me
And I'm the opposite of you
(You're the opposite of me
(And I'm the opposite of you)
You're the opposite of me
And I'm the opposite of you
(You're the opposite of me)
(And I'm the opposite too)
Getting stronger all the time
It's an uphill battle but I'll be fine
You're the opposite of me
And I'm the opposite of you
(You're the opposite of me)
(And I'm the opposite of you)
You're the opposite of me

And I'm the opposite of you
(You're the opposite of me)
(And I'm the opposite of you)
