

Here I Come

Dennis Brown

Love and hate can never be friends
Oh no, oh no Here I come with love and not hatred
Surely goodness and mercy shall follow I
All the days of I life Envy no one, no wish to be with no evil man
For there'll come the day
When you'll be whipped by the father's hand Live up roots children
Live up rasta children My head is anointed and my cup runneth over
Surely goodness and mercy
Shall follow I, all the days of I life
