Run Away (feat. Olia Tira)

Sunstroke Project

Ohhh, forget--let me breathe, let me leave
Just run away from my mind
Ohhh, forgive--I don't need, I won't breathe
Just get away from my life
You lost one-and-all, so fly away
Over the clouds, under the sky
Never come back, no, run away
With all your might, give up, you
I don't believe anymore your shallow heart
I know that it's you who chose to play this trick
I'll never forgive you, not for anything
And now you are left with nothing
Ohhh, forget--let me breathe, let me leave
Just run away from my mind
Ohhh, forgive--I don't need, I won't breathe
Just get away from my life
Ohhh, forget--let me breathe, let me leave
Just run away from my mind
Ohhh, forgive--I don't need, I won't breathe
Just get away from my life
There's no other time to make
In happiness you have mistaken
We have no progressive future
I know your lying nature
There's no other time to make
In happiness you have mistaken
We have no progressive future
I know your lying nature
Ohhh, forget--let me breathe, let me leave
Just run away from my mind
Ohhh, forgive--I don't need, I won't breathe
Just get away from my life
Ohhh, forget--let me breathe, let me leave
Just run away from my mind
Ohhh, forgive--I don't need, I won't breathe
Just get away from my life
