

Wow

Kylie Minogue

Read my lips, I'm into you
I'm into you
Can't resist, you're so hot
Get me into the shade
The spotlight's on, you take me to it
You like it and
Just the way that you dance
Just the way that you dance
Yeah, yeah, is enough to love me baby
Yeah, yeah, yeah, is enough to send me crazy
Yeah, yeah, such an angelic motion
Yeah, yeah, yeah, you know you're made in heaven
The way you walk, the rhythm when you're dancing
Every inch of you smells of desire
You're such a rush, the rush is never ending
Now you got it, you're wow, wow, wow, wow
You got it, you're wow, wow, wow, wow
The more I try, I try to stop
The more I can feel
My antenna just sensing you up
And what can I do? I'm into you
I'm into you
Love the way that you move
Just love the way that you move
Yeah, yeah, such an angelic motion
Yeah, yeah, yeah, you know you're made in heaven
The way you walk, the rhythm when you're dancing
Every inch of you smells of desire
You're such a rush, the rush is never ending
Now you got it, you're wow, wow, wow, wow
You got it, you're wow, wow, wow, wow
The way you walk, the rhythm when you're dancing
Every inch of you smells of desire
You're such a rush, the rush is never ending
Now you got it, you're wow, wow, wow, wow
The way you walk, the rhythm when you're dancing
Every inch of you smells of desire
You're such a rush, the rush is never ending
Now you got it, you're wow, wow, wow, wow

You got it, you're wow, wow, wow, wow
Wow
