Could It Be

Slapshot

She's the devil in disguise
You can see it in her eyes
She's telling dirty lies
She's the devil in disguise, in disguiseNow a woman like that all she does is hate you
She doesn't know what makes a man a man
She'll talk about the times that she's been with you
She'll speak your name to everyone she canShe's the devil in disguise
You can see it in her eyes
She's telling dirty lies
She's the devil in disguise, in disguiseUnhappiness has been her close companion
Her world is filled with jealousy and doubt
It gets her off to see a person crying
She's just the kind that you can't live withoutWell, she's the devil in disguise
You can see it in her eyes
She's telling dirty lies
She's the devil in disguise, in disguiseHer number always turns up in your pocket
Whenever you are looking for a dime
Well, it's alright to call her but I'll bet you
That the moon is full and you're just wasting timeWell, she's the devil in disguise
You can see it in her eyes
She's telling dirty lies
She's the devil in disguise, in disguiseShe's the devil in disguise
You can see it in her eyes
She's telling dirty lies
She's the devil in disguise, in disguise
