Liars

I'm sure you're wonderful
But you're not the kind I keep in my heart
So true it's lacking force
Who'll keep me warm the way I do now?Really deep stuff
From the waist upWell I thought I'd hate it but now I can't give it up
I'm long past saving I'm swallowing degenerates whole
It took both ambition and fear to finally figure it out
Well it looks so appealing in real life it's actually notYeah you don't fight fair but you're now the kind I keep in my heart
I know you'll soon stop waiting 'coz now it's me that's chasing you 'round
Yeah you don't fight fair but you're now the kind I keep in my heart
I know you'll soon stop waiting 'coz now it's me that's chasing you 'round
