Fly famous mockingbird

FlyThe next morning at the camp Errand Wolfe and Rutherford stood frozen in
Awe as the famous mockingbird flew out of the sky and laid the Helping
Friendly Book at their feet. The quest for the book had dragged on for so
Many years that it's sudden appearance left the men staring in disbelief
Unsure of what their next move should be. The shock wore off quickly
Though, and Errand Wolfe shot into high gear. He snatched up the book with
One hand and the famous mockingbird with the other, and began to inform
Rutherford of his plan. He would first kill Wilson, and then put the
Helping Friendly Book to work for him
With Rutherford's aid he fastened the famous mockingbird to a pole, with
Glue and rubber bands, to insure the secrecy of his mission, and then set
Out to find the only man in Gamehendge who could handle the job of
Eliminating a King
