Baby Mine

The Okee Dokee Brothers

You're my little sweetheart, baby mine.
You're my little sweetheart, baby mine.
You're the sugar lump in my tea,
You're my homemade recipe.
You're my little sweetheart, baby mine.I'll love you til' forever, baby mine.
I'll love you til' forever, baby mine.
5,4,3,2,1,
Forever's just begun.
I'll love you til' forever, baby mine.Someday you'll be singing, baby mine.
Someday you'll be singing, baby mine.
That day's coming soon, when you'll sing your child this tune.
Someday you'll be singing, baby mine.But still you'll be my baby, baby mine.
But still you'll be my baby, baby mine.
