Who's Loving You

Nikka Costa

I dunno when things changed
Maybe I'm the one to blame.
I could see forever in your eyes
If you just look at me, baby.I dunno where I went wrong
Have we just tried for too long?
I could you tight til I die,
If you come near me again.Baby, who's loving you?
Who's loving you?What can I do make you stay?
If waive done drove you away.
I could turn back the hands of time,
If you just care again.Baby, who's loving you?
Who's loving you?Can you blame me
If I'm dying to know,
Who took your love away.
Can you blame me
If I've got to know,
So I can go on and love again.Baby, who's loving you
Who's loving you
Who's loving you
