

Why Should I Love You

Kate Bush

This chapter says
'Put it out of your mind'
Mmm, give it time
The fine purple
The purest gold
The red of the sacred heart
The grey of a ghost
The L of the lips are open
To the O of the host
The V of the velvet
Of all the people in the world
Why should I love you?
There's just something 'bout you
Of all of the people in the world
There's just something 'bout you
Of all the people in the world
Why should I love you?
Have you ever seen a picture
Of Jesus laughin'?
Mmm, do you think
He had a beautiful smile?
A smile that healed
Of all the people in the world
Why should I love you?
There's just something 'bout you
Of all the people in the world
There's just something 'bout you
Of all the people in the world
Why should I love you?
Of all the people in the world
The fine purple
The purest gold

The red of the sacred heart
The grey of a ghost
The L of the lips are open
To the O of the host
The V of the velvet
The E of my eye

The eye in wonder
The eye that sees
The I that loves you
Of all the people in the world
Of all the people in the world
Of all the people in the world
Of all the people in the world
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
