

# Talkin 2 U (Jazzy Wayz Remix)

## Devotion

I saw you walkin by  
And girl you caught my eye  
How could I been so blind  
When you're lookin oh so fine  
Do you see me looking at you  
Come on girl I know you do  
You don't have to turn away  
'cause I just wanna talk to you Ooh...i'm talkin to you  
And fighting for you  
To give you all the love you're looking for  
I'm talkin to you  
And fighting for you  
To give you all the love you're looking for I know it gets hard sometimes  
To find a man that's gonna treat you right  
But I'm here to tell you  
I know just what you need  
Only if you could see  
That I'm the kind of man who can fulfill your every fantasy Ooh...i'm talkin to you  
And fighting for you  
To give you all the love you're looking for  
I'm talkin to you  
And fighting for you  
To give you all the love you're looking for Bridge i:
