

# The Gravedigger's Song

Mark Lanegan

With piranha teeth  
I been dreaming of you  
And the taste of your love so sweet  
Honest its true  
Through my heart flows sleep  
And the dark heavy rain  
Where the gravedigger's song is sung  
You've been torturing me  
Tout est noir, mon amour  
Tout est blanc  
Je t'aime, mon amour  
Comme j'aime la nuit  
Love, is the medicine good?  
Is the crow flying eight miles high?  
Over wire and wood  
Shovel down six feet  
With a head heavy pain

The magnolia blooms so sweet  
And it fades just the same  
To the stars my love  
To the sea  
To the wheels my love  
Till they roll all over me  
Oh love, i been thnking of you  
With razor white teeth so sharp  
Honest its true  
In my blood flows sleep  
And the dark heavy rain  
The magnolia blooms so sweet  
Only torturing me  
To the stars my love  
To the sea  
To the wheels my love  
Till they roll all over me
