Lioness

Matt Gresham

The water was cold for you
But warm for me
She spent most of her time
Running in the jungle free
You move so slow
But all of a sudden so quickly
So swiftly that no one could ever see.I met a lioness
I was a little obsessed
She was so loving but so quick to attack
I met a lioness
I was a little obsessed
She was so loving but so quick to attack.
Her eyes shine through her soul so it could be seen
The land was so red but yet so so green
I was a child to this woman
Everyday in a happy dream
But when the seasons change she'll be
nowhere to be seen.So,
I met a lioness
I was a little obsessed
She was so loving but so quick to attack
I met a lioness
I was a little obsessed
She was so loving but so quick to attack.She scratched my back
Through my skin
The pain was real
But I want it again.
When she found me
She found her pray
Though she loves me
I gotta keep,
I gotta keep away.I met a lioness
I was a little obsessed
She was so loving
But so quick to attack
I met a lioness
I was a little obsessed
But be careful when she dances behind your back.
