Susan (Instrumental Mix) [feat. Stephen Pickup]

Mark Knight

Come home....I can't go back
And I can't move on
I'm lost in a world
Where you belongAnd I'm crying now
And I'm reaching out
I want to hold you
Make everything right(Chorus) x2
Susan, where have you gone?
I don't know what went wrong
But I want you to know
That you're still in my head
After all that's been said
I want you, come home
--Memories
How they get to me
Time can erase
What you mean to meAnd I'm crying now
And I'm reaching out
I want to hold you
Make everything right(Chorus) x2
Susan, where have you gone?
I don't know what went wrong
But I want you to know
That you're still in my head
After all that's been said
I want you, come home
--Susan, come home
Susan, come home...Ooh, there's so much
That we've been through
I'm still waiting here for you
For you(Chorus) x3
Susan, where have you gone?
I don't know what went wrong
But I want you to know
That you're still in my head
After all that's been said
I want you, come home...
