I'll Never Love This Way Again

Color Me Badd

Tell me baby do you know that I've tried
To show you how I feel since your love has gone
Yes, I know that you loved me when I left you with tears in your eyes
Now I miss your smile, yes, I know, yes, I know that you're goneGuess I've gone and done it again
Truth is that I never thought I'd miss your love
Now it's all I'm dreamin' ofWatched my luck run out on a chance
Now I see that life will never be the same
I know I'll never love this way again, yeahAnything I'd do just to get down and get it on
One more time just for a little while 'cause I know
That the sun stopped shining when your heart stopped beating
With mine and I thought you knew, I'd never make it without you, oh, noGuess I've gone and done it again
Truth is that I never thought I'd miss your love
Now it's all I'm dreamin' ofWatched my luck run out on a chance
Now I see that life will never be the same
I know I'll never love this way againBaby, I can't give up and I got to believe
I was a prisoner since you shined your light on me
And now I've got to turn around until salvation is found
I never imagined livin' without you, oh, I can't breathe without you, babeI'll never love this way again, my baby's long, long, long gone
My heart stopped beating when I lost her lovin' arms
But from this day I ain't gonna stop believin', no
'Cause you're the only one, you're the only one, the only one I ever lovedGuess I've gone and done it again
Truth is that I never thought I'd miss your love
Now it's all I'm dreamin' ofWatched my luck run out on a chance
Now I see that life will never be the same
I know I'll never love this way againGuess I've gone and done it again
Truth is that I never thought I'd miss your love
Now it's all I'm dreamin' ofWatched my luck run out on a chance
Now I see that life will never be the same
I know I'll never love this way againGuess I've gone and done it again
Truth is that I never thought I'd miss your love
Now it's all I'm dreamin' of
