

# 1 2 3 I Love You (feat. Jackie Cruz)

## Kill Nils

You take domain rings and throw they back to me (soulful, soulful, heartly, selfless)

And in the morning sun you glammed to the sun goes down, and you said:

1, 2, 3 I love you, and I need you too

1, 2, 3 I love you, and I need you...

You take jewelry and laid it on the street (don't trip, don't trip, I feel like I'm naked)

That's what you do to me, strip all my dignity, and you said:

1, 2, 3 I love you, and I need you too

1, 2, 3 I love you, and I need you...

The way you looked me, like you wanted a victim (you selfish, you selfish, and know you can't help it)

On the streets allowed hold my head, I lost the crown, and you said

1, 2, 3 I love you, and I need you too

1, 2, 3 I love you, and I need you...
