Combat

Slaptop

I know how to rip a mike different
I grip it like so
Tight like a kryptonite with a bike pole
Sparks from my lips ignite liquid nitro
No telling if it might blow
The environments' gotta be hotter
Than solder beside the iron
Zinc vitamins
Hide'em inside when i'm writing the rhymes
It's hard to keep property guarded
Because of these pirates
I motivate
No debate
We're takin it over
Make no mistake
Youre fake and there's no escape
Cuz you got caught
Frozen waitin for the crosswalk
I can take it to another level
Where the base is above the treble

And your face is in double
Evasiveness doesnt settle it
A place and a space
Where theres nothing to meddle with
Combat to get you to bomb back
Blond black lets get beyond that
Sing songs that attack with strong raps
321 contact
Sans paddle we swim the long laps
Swans flap to get the pond packed
Want sass kiss my moms ass
Wrong tact convict you en mass
Take it back like Linda Ronstadt
Or luke sky with a twisted long hat
Ton ton fat subsisting on that
Tom tom hi hat
Insist upon that
Listen to John rap

This is combat
To get you to bomb back
Two fisted contact to
Get the pond packed
Cause I'm on some shit that exist beyond that
