

Family of the Sun

Gang of Thieves

There's nothing you can say to me
That could shake my faith in our Family of the Sun, can ya hear me
Buying out humanity, selling our democracy
Do you know what you've done
Slowly filling up the streets there's a general lack of trust in your affairs
Growing up inside the throes of greed is not what we will make our children bear
Love's the only crown I wanna
feel
The sun is shining down today
So throw your arguments away
So we can have some fun, can ya feel me
Starting up a family
So that love can follow me
All of it's just begun
Coming home from on the road I told my babe I just don't know what to do
She consoled me then she told me baby everything's alright now
Loves the only crown I wanna feel
Loves the only crown I wanna feel
Love's the only crown I wanna feel
