

# Vindicated

## Dashboard Confessional

Hope dangles on a string  
Like slow-spinning redemption  
Winding in and winding out  
The shine of it has caught my eye  
And roped me in  
So mesmerizing so hypnotizing  
I am captivated  
I am

Vindicated  
I am selfish  
I am wrong  
I am right, I swear I'm right  
Swear I knew it all along and  
I am flawed  
But I am cleaning up so well  
I am seeing in me now the things you swore you saw yourself

So clear like the diamond in your ring  
Cut to mirror your intention  
Oversized and overwhelmed  
The shine of which has caught my eye  
And rendered me so isolated  
So motivated  
I am certain now that  
I am

Vindicated  
I am selfish I am wrong  
I am right, I swear I'm right  
Swear I knew it all along and  
I am flawed  
But I am cleaning up so well  
I am seeing in me now the things you swore you saw yourself

So turn up the corners of your lips  
Part them and feel my fingertips  
Trace the moment, fall forever  
Defense is paper thin  
Just one touch and I'd be in too deep now

To ever swim against the current  
So let me slip away  
So let me slip away  
So let me slip away  
So let me slip against the current  
So let me slip away (4x)

Vindicated  
I am selfish I am wrong  
I am right, I swear I'm right  
Swear I knew it all along  
And I am flawed, but I am cleaing up so well  
I am seeing in me now the things you swore you saw yourself

Slight hope  
It dangles on a string  
Like slow spinning redemption
