Jenny

Walk The Moon

You got curves like the ocean, gonna take it in slow motion
Got emotions that'll make it last
You got freckles on your shoulder, ammunition like a soldier
And visions, ambitions to be the bestOh and Jenny why don't we, Jenny why don't we be getting together
I said Jenny shouldn't we, Jenny shouldn't we be getting togetherJenny's got a body just like an hourglass
But I'm taking my time, I'm taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh, gonna make it lastJenny, got your number and I've got you for the summer
It's a bummer that things go so fast
It's been a ride like Days of Thunder but these days have been a-running
Like sand through the hourglassI've been dreaming that we could, dreaming that we could be sticking together
I got evidence cause every time I turn a corner, it's up against the wall
And as the rest of the world fades out
As the rest of the world fades outI'm thinking Jenny's got a body just like an hourglass
But I'm taking my time, I'm taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh
Jenny's got a body just like an hourglass
But I'm taking my time, I'm taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh
But I'm not gonna take it from you, I'll let you give it to meI said I'm not gonna take it from you, I'll let you give it to meJ-J-J-Jenny's got a body just like an hourglass
But I'm taking my time, taking my time
I wanna be the sand inside that hourglass
Take it slow, oh, oh
Jenny's got a body, yeah
Jenny's got a body, yeah
I wanna be the sand inside that hourglass
Take it slow, oh, oh, gonna make it last.
