

Seeds of the Chosen One

Hypocrisy

Seeds of the chosen one, ain't that the whole one?
The ultimate gift
Laboratory rat and fucked with mother nature
It's like a Russian roulette
This time, I know we went too far playin' God
It will rape and cut us all
Is this how it ends? You can count me out
It will never last, a lethal game We're on our way to see the endin'
We're on our way to get erased
Time is tickin', Mother Earth's twisted
We'll all lose control Scientific murder
A new Avignon
You and I are not included
Step aside, move away and move along
Now I know we went too far playin' God
Time is up for the human race
We've passed the point of no return
We're already out of the gates, you and I
It will never last, a lethal game We're on our way to see the endin'
We're on our way to get erased
Time is tickin', Mother Earth's twisted
We'll all lose control We're on our way to see the endin'
We're on our way to get erased
Time is tickin', Mother Earth's twisted
We'll all lose control We're on our way to see the endin'
We're on our way to get erased
Time is tickin', Mother Earth's twisted
We'll all lose control
