

# In The Misty Moonlight

Dean Martin

In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as I'm with you In a far away land  
On a tropic sea sand  
If your hand's in my hand  
I won't be blue Way up on a mountain  
Way down in a valley  
I know I'll be happy  
Any place anywhere  
I don't care In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as you are there  
In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as I'm with you  
In a far away land  
On a tropic sea sand  
If your hand's in my hand  
I won't be blue Way up on a mountain  
Way down in a valley  
I know I'll be happy  
Any place anywhere  
I don't care  
In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as you are there  
In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as I'm with you In the misty moonlight  
By the flickering firelight...
