

# Ramona (Acoustic Version)

Beck

There's nothing left to hide;  
You can see it in my eyes.  
Oh I've tried, to be who I thought you wanted. And if it's all a lie,  
The truth's not far behind.  
We could try to live right... follow the moment. Ramona!  
Ramona... Oh, oh.  
Ramona. If only I had known,  
It's less than what I felt,  
Why should I have nothing to fear for? Ramona...  
Ramona... Oh, oh.  
Ramona. Ramona! Oh oh,  
Ramona! Oh my,  
Ramona! Ramona!  
Ramona! Oh,  
Ramona!
