

Thirsty

The National

As far as I can tell
I'm nothing like a princess
But today I find myself
Curling up behind the house
There's nothing in the air today
Now I know, I'm not so important
Take these girly arms
And ever keep me
Take these girly arms
And ever keep me
I don't have a hawk in my heart

No dumb ass dove in my brain
I don't have a hawk in my heart
No dumb ass dove in my dumb ass brain
Take these girly arms
And ever keep me
Take these girly arms
And ever keep me
I don't have a hawk in my heart
No, I don't have a hawk in my heart
No, I don't have a hawk in
