

BURN IT DOWN (Acapella)

LINKIN PARK

The cycle repeated
As explosions broke in the sky
 All that I needed
Was the one thing I couldn't find
 And you were there at the turn
Waiting to let me knowWe're building it up
 To break it back down
 We're building it up
 To burn it down
 We can't wait
To burn it to the groundThe colors conflicted
 As the flames, climbed into the clouds
 I wanted to fix this
But couldn't stop from tearing it down
 And you were there at the turn
 Caught in the burning glow
 And I was there at the turn
Waiting to let you knowWe're building it up
 To break it back down
 We're building it up
 To burn it down
 We can't wait
To burn it to the groundYou told me yes
 You held me high
 And I believed when you told that lie
 I played soldier, you played king
And struck me down, when I kissed that ring
 You lost that right, to hold that crown
 I built you up, but you let me down
 So when you fall, I'll take my turn
 And fan the flames
As your blazes burnAnd you were there at the turn
Waiting to let me knowWe're building it up
 To break it back down
 We're building it up
 To burn it down
 We can't wait
To burn it to the groundWhen you fall, I'll take my turn
 And fan the flames

As your blazes burnWe can't wait
To burn it to the groundWhen you fall, I'll take my turn
And fan the flames
As your blazes burnWe can't wait
To burn it to the ground
