Think For Yourself

Kennelmus

I've got a word or two
To say about the things that you do
You're telling all those lies
About the good things
That we can have if we close our eyesDo what you want to do
And go where you're going
To think for yourself
'Cause I won't be there with youI left you far behind
The ruins of the life that you have in mind
And though you still can't see
I know your mind's made up
You're gonna cause more miseryDo what you want to do
And go where you're going
To think for yourself
'Cause I won't be there with youAlthough your mind's opaque
Try thinking more if just for your own sake
The future still looks good
And you've got time to rectify
All the things that you shouldDo what you want to do
And go where you're going
To think for yourself
'Cause I won't be there with youDo what you want to do
And go where you're going
To think for yourself
'Cause I won't be there with youThink for yourself
'Cause I won't be there with you
