I see the money come with hate well fuck it then its cookies

Hoes i never met talking bout they wanna fuck me if they ass out of state then they gonna have to book me
I just seen my old bitch her ass wouldn't stop looking tried to put me to the side so i had to keep it pushing
and my homie everywhere even in the house cooking
my two tone thing blend in with the bushes BITCH
everything i write is not fiction but you dont gotta read lil nigga just listen
my new whip give a nigga automatic tickets
and my old shit thats a gift and it wasnt even christmas

unanimous decision we dont need no extra innings NIGGA
ion fuck with these fuck niggas for a reason
got hit up in the face and im straight shout out jesus
i only fear god cause i fuck with them demons
i aint got a mill but a nigga still eating AINT EVER DID SHIT BUT YOU NIGGAS STILL SPEAKING
poured up last night got a nigga still leaning

who tf could i trust wwhen my own fam greasy skinny ass nigaa with a big ass gleazy
everywhere i go i keep a mask and a beanie cause you never know i might run into them weenies
