Out Of My System

Gary Moore

You're out of reach, you're out of touch
This time baby, you've run out of love
You're out of sight, you're out of mind
Another heartache I've left behindIt doesn't make any difference
Where you go from here
Too many times you've been running
I was here, over and over againWell, I've got you out of my system
I've got you out of my soulWe've been through this a thousand times
Too many partners for your perfect crimes
You turned your back when I was down
Well, this time baby, I won't be aroundIt doesn't make any difference
What you do or say
This time it's over forever, I'm on my way
Don't wanna see you againWell, I've got you out of my system
I've got you out of my soul
Well, I've got you out of my system
And now I'm right outside your controlIt doesn't make any difference
Where you go from here
Too many times you've been running
I was here, over and over againWell, I've got you out of my system
I've got you out of my soul
Well, I've got you out of my system
Out of my soul
And now I'm right outside your controlI've got you out of my system
Well, I've got you out of my system
Out of my system
I've got you out of my soul
Out of my soul
Well, I've got you out of my system
