

# Out Of My System

Gary Moore

You're out of reach, you're out of touch  
This time baby, you've run out of love  
You're out of sight, you're out of mind  
Another heartache I've left behind  
It doesn't make any difference  
Where you go from here  
Too many times you've been running  
I was here, over and over again  
Well, I've got you out of my system  
I've got you out of my soul  
We've been through this a thousand times  
Too many partners for your perfect crimes  
You turned your back when I was down  
Well, this time baby, I won't be around  
It doesn't make any difference  
What you do or say  
This time it's over forever, I'm on my way  
Don't wanna see you again  
Well, I've got you out of my system  
I've got you out of my soul  
Well, I've got you out of my system  
And now I'm right outside your control  
It doesn't make any difference  
Where you go from here  
Too many times you've been running  
I was here, over and over again  
Well, I've got you out of my system  
I've got you out of my soul  
Well, I've got you out of my system  
Out of my soul  
And now I'm right outside your control  
I've got you out of my system  
Well, I've got you out of my system  
Out of my system  
I've got you out of my soul  
Out of my soul  
Well, I've got you out of my system
