I donÂ´t worry about a thing

Jorge Drexler

If this life is driving you to drink
Sitting round wondering just what to think
Well I've got some consolation
I'll give it to you if I mightYou know, I don't worry about a thing
'Cuz I know nothing's going to be alrightYou know this world's just one big trouble spot
'Cuz some have plenty and some have not
You know, I used to be troubled
But I finally saw the lightNow I don't worry about a thing
'Cuz I know nothing's going to be alrightDon't waste your time trying to be a go getter
Things will get worse before they get any better
You know there's always somebody
Playing with dynamiteBut I don't worry about a thing
'Cuz I know nothing's going to be alright
