

# Goin Home

## J Mascis

In the places that you said you'd meet me  
I don't see you hanging around  
If that's all you ever tell me  
Seems you don't wanna be found  
I'm goin' homeDon't come over  
I can't get lower  
No more meetin'  
I been beatenGot a blast of what I should be  
Busy doing, yes, I'm lost  
I want to tell you that I miss you  
But I'm pissed you blew me off  
I'm goin' home  
No more meetin'  
I been beaten  
I can't take it  
Go and shake itI breath all alone for you  
I need and you know it's trueBy the pound the tension's mountin'  
Wrapped around me feelin' tight  
If you're castin' out some psycho  
You'll need me, tantrum I won't bite  
On a day that's burnin' this crazed  
Don't tempt me 'cause I might  
But if it's gonna be the last time  
Well then maybe it's alright  
I'm goin' home  
It's inside  
May go ahead fight it  
I've about had it  
Go ahead grab it  
I can't take it  
Go ahead fake itI breath all alone for you  
I need and you know it's true  
I breath all alone for you  
I need nothin', I can doPeople tell me that you miss me  
And I guess I'm doin' fine
