

Princes

Oscar and the Wolf

And I don't know what you're gonna do
Don't know about me
One, two, three, let's go
Tell me what you want me to
So get around me So run for the golden, for the money
Run for the infinity
We'll never return and be free
But every time I come around
There's too many little things they know about us
Oh, I can't play And I don't wanna be your friend, baby
But there's no other way
I don't want you, baby, you pretend
And I don't wanna make it better
So there's no other way
I don't want you to make me mad Got my boys in the water
Got my girls spending overtime
Got my boys in the water
Got my boys in the water
Got my boys in the water
Got my girls spending overtime
Got my boys in the water
Got my boys in the water And we fall and we play
For the night calling
Where princess rule the world
Party and jumping
Don't you get a... for you So run for the golden, for the money
Run for the infinity
We'll never return and be free
But every time I come around
There's too many little things they know about us
Oh, I can't play And I don't wanna be your friend, baby
But there's no other way
I don't want you, baby, you pretend
And I don't wanna make it better
So there's no other way
I don't want you to make me mad Got my boys in the water
Got my girls spending overtime
Got my boys in the water
Got my boys in the water

Got my boys in the water
Got my girls spending overtime
Got my boys in the water
Got my boys in the water
And I don't wanna be your friend, baby
But here's no other way
I don't want you, baby, you pretend
And I don't wanna make it better
So there's no other way
I don't want you to make me mad
Got my boys in the water
Got my girls spending overtime
Got my boys in the water
Got my boys in the water
Got my boys in the water
Got my girls spending overtime
Got my boys in the water
Got my boys in the water
