

What Did You Expect Me to Do

[George Strait](#)

Sometimes I smile
When you stayed home for awhile
What did you expect me to do
I always cry each time you told a lie
What did you expect me to do? Each time I forgave you, you grew bolder
And each time you hurt me my heart grew colder
Sure, I love you but I found someone new
What did you expect me to do? Each time I forgave you, you grew bolder
And each time you hurt me my heart grew colder
Sure, I love you but I found someone new
What did you expect me to do?
