

# Stop The World I Wanna Get Off With You

## Arctic Monkeys

Open Sesame. (We've places to go)  
We've people to see. (Let's put 'em on hold)  
There's all sorts of shapes, that I bet you can make  
When you want to escape say the word Well I know that getting you alone isn't easy to do  
With the exception of you I dislike everyone in the room  
And I don't wanna lie, but I don't wanna tell you the truth  
Get the sense that you're on the move  
And you'll probably be leaving soon, so I'm telling you Stop the world 'cause I wanna, get off, with you  
Stop the world 'cause I wanna, get off, with you. Eyes the colour of, (Water left in mud)  
Icing sugar dust. (Crazy green flashes)  
It's a funny thing, that I cannot explain  
Don't you know the train keeps a-rolling? Stop the world cause I wanna, get off, with you  
Stop the world cause I wanna, get off, with you. Well I know that getting you alone isn't easy to do  
And I don't wanna lie, and I don't wanna tell you the truth  
And I know we got places to go, we got people to see  
Think we both oughta put 'em on hold and I know you agree Stop the world 'cause I wanna, get off, with you  
Stop the world 'cause I wanna, get off, with you.
