FÃ-garo

FamÃ-lia Lima

Every morning when sun is dawning
You'll see him down on the beach
Look out girl, beware
Better take good care
Keep yourself out of reach
He's out to make a killing girl
He's out to make a score
And maybe if you're willing girl
He's gonna ask for more
Oh oh Figaro, He's got magic oh oh
Oh oh Figaro, He's a Romeo oh
See him down on the beach
He'll be looking for someone new
Searching down on the beach
Figaro, Figaro
When he plays guitar
At the disco bar
He's the star of the show
As the girls go by
He just winks an eye
See those pretty girls glow
He's out to make a killing girl
When dancing on the floor
And maybe if you're willing girl
He's gonna ask for more
Oh oh Figaro, He's got magic oh oh
Oh oh Figaro, He's a Romeo oh
See him down on the beach
He'll be looking for someone new
Searching down on the beach
Figaro, Figaro
Oh oh Figaro, He's got magic oh oh
Oh oh Figaro, He's a Romeo oh
Oh oh Figaro, He's got magic oh oh
Oh oh Figaro, He's a Romeo oh
