

Last Days On Earth

Tears for Fears

Tired of this elegant life
With the best will in the world
It's a thorn in your side Dazed, not a little confused
Let the patient do the work
They got nothing to lose I told you
I'd hold you
'til the last days on earth Ties that are tested and tried
Like the crushing of the waves
We'll be lost in the tide Talk away the pain for the very last time
Like an echo in a cave
Let it die in your mind I told you
I'd hold you
'Til the last days on earth If you should fall into these opened arms
You would be blessed not just bemused
Wake up their mind love is a lonely world
Where nothing on earth lies like a truth Ties that are tested and tried
Like the crushing of the waves
We'll be lost in the tide Talk away the pain for the very last time
Like an echo in a cave
Let it die in our mind I told you
I'd hold you
'Til the last days on earth
