

Heart on My Sleeve

[Olly Murs](#)

You think you've heard this before
I'll try to say it differently
As long as it come naturally to me
It's been making me sad
'Cause I can't find a better way
To speak the words I wanna say to you Know how I love you
And know how I need you And I want you to know
Won't let you down
No, I can't let go
And I want you to see
Everyday I wear my heart on my sleeve
On my sleeve It's been driving me mad
Consistent tones and constant drones
Keep pulling me back inside my head
Nothing matter at all
The world will keep on spinning round
All these feeling keep on pouring out Oh, how I love you
Oh, how I need you And I want you to know
Won't let you down
No, I can't let go
And I want you to see
Everyday I wear my heart on my sleeve I try to write the words down
Before they're lost and won't come out
Oh, please, help me sing my song And I want you to know
Won't let you down
No, I can't let go
And I want you to see
Everyday I wear my heart on my sleeve
Heart on my sleeve
Heart on my sleeve
Heart on my sleeve No, I can't let you go
Can't let you go Oh, I want you to know
Won't let you down
Everyday, yeah, I can't let go
I wear my heart on my sleeve
