Rabia

Brenda K. Starr

I am the last great victim
Back up
Slpit out of here
Get our of here
I am the only one
No one else what do you gain
Split out of here
Get out of here
I am the last one
I am the solitary one
If you dont understand
Split out of here
Get out of here
I dont even know you
Why are you staring
Why are you fronting
Face to face
I dont even know you
Why are you staring
Im gonna show you head on
Rage
What do you want
Who are you
I am rage
I am the hurricane
Only one no one else
You are no one to me
You want nothing for me
I know you understand
Split out of here
Get out of here
You want nothing for me
I want nothing for you either

I am the hurricane
You will be my victim
I know you understand
Split out of here
Get out of here

I dont even know you
Why are you staring
Why are you fronting
Face to face
I dont even know you
Why are you staring
Im gonna show you head on
Rage
What do you want
Who are you
I am rage
I am the last great victim
I am the only one
No one else
I know you understand
Split out of here
Get out of here
I dont even know you
Why are you staring
Why are you fronting
Face to face
I dont even know you
Why are you staring
Im gonna show you head on
Rage
What do you want
Who are you
I am rage
